

An aerial photograph of a forest landscape with a red geometric overlay. The overlay includes a polygon with vertices marked by red 'X's, a circular area with a 4.00 m diameter, and various measurements in meters and degrees. Labels include 'Waldschänke', 'Busch', 'ca. 43 m²', 'ca. 12,5 m²', and '3,50 m'.

The red overlay consists of a polygon with vertices marked by red 'X's. The vertices are located at approximately (180, 650), (210, 500), (280, 450), (390, 530), (500, 600), and (860, 250) in normalized coordinates. The edges of the polygon are labeled with red text: 6,10 m (between 180, 650 and 210, 500), 4,20 m (between 210, 500 and 280, 450), 8,10 m (between 280, 450 and 390, 530), 6,20 m (between 390, 530 and 500, 600), 14,30 m (between 500, 600 and 180, 650), and 32,60 m (between 860, 250 and 180, 650). The interior angles at vertices 210, 500 and 390, 530 are labeled 51° and 37° respectively. A circular area with a diameter of 4,00 m is centered at approximately (250, 550). Two areas are labeled 'ca. 43 m²' and 'ca. 12,5 m²'. A label 'Waldschänke' is at (860, 250) and 'Busch' is at (500, 600). A label '3,50 m' is at (180, 650).
